

greywing

2018 Pinot Noir

Tasting Notes:

Deep purple in color and a thick texture that coats the sides of one's Burgundy glass with a lasting magenta hue. Ripe aromas and flavors of purple grapes, plums, and freshly plucked violets from soil burst from the glass.

The attack is ripe, with a bright black cherry note that keeps the wine fresh and lively on the palate. Partner with heartier cuisine like steaks, chops, or cheese plates with strongly flavored cheeses like a smoky blue.

Fruit Source:

Fairsing Vineyard | Yamhill-Carlton AVA
Willamette Valley, Oregon

Clones:

Pommard - 45% | 777 - 20% | 115 - 25% | 114 - 5%

Barreling:

12 months in 1 year French Oak then 6 months neutral

Alcohol:

13.7%

Production:

28 cases

93 Points - James Suckling

It's the stories that connect us. Where we come from and the people we meet along the way are woven into choices we make and who we are each day.

We focus on producing wines that connect people, create community and highlight the beauty of this very special place we call home.
