Hip Chicks Do Wine - Vin Nombriil

2020; Roussane, Muscat, Muller
Thurgau

Washington & Oregon

The Vineyard

This wine contains fruit from two separate sites:
Diamond Back Ridge Vineyard, Columbia Valley
Abiqua Wing Vineyard, Willamette Valley

The Winemaking

This wine is a blend of Roussane, Muscat, and
Muller Thurgau which were handpicked, hand
sorted, and lightly crushed separately. Juice
settled in stainless steel for 24 hours, the Muscat
and Muller Thurgau were co-fermented with two
different yeast strains while the Roussane was
fermented alone with two different yeast strains.
After blending the wine was fined with bentonite
clay to keep the wine Vegan.

The Wine

A semi sweet white blend with flavors of Peach,
Apricot, Honeysuckle and Cardamom. We call it Belly
Button Wine because it's not too sweet and not too dry,
right in the middle just like your belly button. Pair this
wine with Spicy Bean Burgers, Chickpea Curry,
Chicken Teriyaki Skewers, Seared Pork Belly, Buffalo
Chicken Wings, Shrimp Fra Diavolo, Spinach Salad
with Goat Cheese and Strawberries, BBQ Chicken
pizza, Spicy, Salty or Sour foods, Light Meats, Sweet
Sauces, Chèvre, Bruschetta or Spicy Spring Rolls.
